REFERENCE(S) Standardized Government Allowance Regulations, Section 620, dated 14 March 1957			
<p>1. Pending issuance of a revised KUBARK regulation covering all allowances, the following is an interpretation rendered by the Office of General Counsel on the referenced regulation.</p> <p>2. Paragraph 262.32, reference, states "a separation allowance shall not be granted where the condition which meets any of the requirements of Section 262.1 appears to require separation for less than 90 consecutive calendar days". Office of General Counsel, when queried as to an interpretation, advised that "where a situation requiring separation under paragraph 262.1 truly appears to require it for 90 days or more, but by chance turns out not to, we think the conditions of paragraph 262.32 have been met".</p> <p>3. In view of the above, separation allowances which are properly authorized by Headquarters under conditions which are expected to continue for 90 days or more may remain valid even though by chance the actual separation turns out to be less than 90 days. This interpretation is applicable to all authorized separations retroactive to 14 March 1957.</p> <p>4. In authorizing separation allowances, the Director of Personnel will review the facts in each case to assure compliance with standards of good faith and reasonableness in determining when a condition requires separation for 90 days or more.</p> <p style="text-align: right;">25X1A9a</p> <div style="background-color: black; width: 300px; height: 60px; margin: 20px auto;"></div> <p style="text-align: center;"> </p>
